Dear Miss Young:

I am directed by Sir Robert Falconer to say that the Fellowships for this year are all awarded. They were estatlished to attract students who had graduated at the Western Universities to the University of Toronto for graduate work.

Yours very truly,

President's Secretary.

Dear Sir, The announcement of Graduate Courses makes mention of certain fellowships open to graduate students and I beg to make application for one of these. I took my Course in

liberty of applying in case of one fellowship not being already granted and in such case it would be a very great help.

Yours sincerely,
Hester E. Young.

Toronto University, graduating in 1915. I entered in my Sophomore year and each year obtained Second Class Proficiency. I was registered at Victoria College throughout my course. Since graduating I have spent the two years teaching in the High School at Lyboro Saskatchewan. I taught the English, History, French and Latin of all four forms as over work included Junior Matriculation. For I am hoping to return to the University & obtain my Master's Degree. I hope I spend the year in work in English and History with more time given to the latter subject.

I am quite aware that I have not any great claim to be considered for fellowships both because of not having any exceptional academic standing and also because of not having an absolute need of it. I am however taking the
